INAHZ. THURSDAY, THE SE OF IS RAGS, BAGGING NOTICE.-The O by meaning economy, meaning of the war."

Would it not become the prefilest far better than breaste or tulie! Would it not section of yesterday in the Content of the hadromest far more nobly than defent the hadromest far more nobly than developed in the hadromest far more nobly than the war. Is it noble in our women to be the war. Is it noble in our women to be the more far to make the hadromest far more noble fall of the more far to war of the limit that it had our bravest and bost youth are being buried without coffne on the battle-field? Let sin.

The following are the particular of the strong of the TOO Cases MARSHAL'S BALK we have received from J. T. Lloyd, publisher 20 Coursisset street, N. Y., a splendid fopographical map of Georgis from State curvags before the war, showing all the impertant rull ways, stateons, stillages, stc., and having the strategic points distinctly indisseted. The map is elegantly engraved and is a model specimen of the srt. For purposes of consultation with reference for General Stremms operations, it must prove invaluable, and that it is absolutely correct is evident from the fact that the publishers invite accusains and day the detection of an error.

See provided the fact of the set of the set of the second of the covered to be on fire. The slarm was given and Bir. Nith and all the Immeter of the house except he wife, reshed out to extin gailerthe tire. As soon as every person except Mrs. Muth had left the house, some one in man's clothing entered the house, accorded Mrs. Muth, and throw sulphurit's said a About the hour of it o'clock at another, to the highest bleest, at From the New York Tribuse.]
Murray & Claser, St bought of Otle at the year ey pood, 7g cws Illights streets, retained at lagific he fatyre a God, for S. S. Bickers son, 85 prints Il Estier to Mrs. Lincoln.

[From the Ruchmond Enquirer, May 3:]
An unbucky wight of an East Tennesseean, who "embraced the opportunity" of testifying his loyalty to the Union, at Joining a rete gade regiment and getting elected captain of a company, discover's himself in the Libby and spikouts a triand. given in the lonewing teacgram from the Stuarts.

Hancountries assume, May 11—640 a.m. To General Reng:
Gaussial—The enemy reached this point hast before us, but were promptly whipped out after a short light by Colonel Muniford (Fits Lee's advance). Itilize and capturing units a number.

General Gordon is in the immediate rear of the enemy. I intersect the read the enemy is marching on, at Yellow Tavers, the head of the turnpike, six miles from Richmond.

salie from Richmond, and the intention of the enemy was to come down the turngite, cross the Brock bridge, go around to the Breach Bridge road, and tasnes down the Remissula. This class was frostrated by the bruning of the Mesdow bridge by our troop. This frais was frostrated by the bruning of the Mesdow bridge by our troop. This frais being discovered this only model of retreat left was to best Genoral Stant at Yellow Tevers and go up the Brook of the Brook tempike and cut their way through.

The former mode was tried, and about four clock preserving sternoon they ettacked Gen. Strart, who, with Loman's and Wickham's brigades, repulsed them. The fight was a very hot son, lesting ever an hour.

Among our cannelities were Listed, Col. H. C. Faite son five Captains killed.

Averill, it appears, is not in command of his forces which attacked Gen. Jenkins of bublis depot. It has good with another serious of the second of the state of T. of the second of the state of the T. of the state of the state of the relation which made the state or Gen, ending, was under the command of General relation was compased of swelve negligibutes.

Dejecting the Skulkers-A Scene Belie Plain Landing. Mr. 8. Wilkisson, in a latter to the N. Trobes, thus graphically describes a scene Belle Plain Landing:

command of the Alabama's salting therefore the bark Theselesias. Some time after the Praceloca was actived by the British antinorities at the Chap, in white of the remostrances of her Commander. Most, Lowe, left, her for England, its order to by his complaint before the Hame Government; and by a certicus mischance, on approximating the shopes of this country, he met and passed the steamer which was taking out to the Cape the order for the Thuradiona's release. The greeting between himself and herother officers, yesterday, was anaturally a very careful one. The last time they had not worker officers, yesterday, was anaturally a very careful one. The last time they had not worker officers, yesterday, was anaturally a very careful one. The last time they had not worker of the Brailian ports, we believe—and each had take to tail the other of hair-breacht encapes, persions adventures, and prise-taking echievaments.

Once the Georgia van the marry vest chance of heing appaired by the Federal puddiewheel from plates steamer Vastarbits, which made such a fruitions chase of many thousand sulles after the Alabana. The Georgia was going out. Both vessels was reing and of such street, and distant less than half a dearn miles. The officers of the Georgia recognized the Vanderbilt, was of more sabriantial construction, for mary heavily a raved and of such street of a chase the Ceorgia's oil I chance event of a chase the Ceorgia's oil I chance
